

Getting Started on Fiverr: A Beginner's Guide for Freelancers & Agencies (2025)

1. Fiverr Registration Guide (Freelancer & Agency)

For Individual Freelancers:

- **Step 1:** Go to fiverr.com and click on “Join”.
- **Step 2:** Sign up with an email, Google, or Apple ID.
- **Step 3:** Create your **seller profile** with:
 - Real name (matches your ID)
 - Professional profile picture
 - Short bio about your skills
 - Link to portfolio or GitHub (if any)
- **Step 4:** Add your **skills and languages**.
- **Step 5:** Verify your identity with:
 - Government-issued ID (Passport, Driver's License, etc.)
 - Selfie verification (through Fiverr app)

For Agencies (Fiverr Business/Studio):

- **Step 1:** Same process as a freelancer.
 - **Step 2:** After profile approval, go to **Fiverr Studio** (under “More” tab).
 - **Step 3:** Apply to become an **agency/team**:
 - Submit agency/business details
 - Upload team member profiles
 - Link company website (optional)
 - Add business documents (GST, company registration, or business license if available)
 - **Step 4:** Wait for approval (takes 3–7 days)
-

2. Choosing a Profitable Web Development Niche (2025 Tip)

Instead of broad services, focus on **niche tools** like: - WordPress + Specific Builder: **WPBakery, Brizy, Elementor Pro** - Shopify Custom Sections - Framer or Webflow
Responsive Fixes - Speed Optimization Only (WordPress/Shopify)

Example: - **Niche Service:** “I will fix any WPBakery layout issue on your WordPress site” -
Why it works: Low competition, high demand, easy for pros

3. Handling Clients Effectively on Fiverr

After You Receive a Message:

1. **Reply Fast** — Fiverr rewards quick responders
2. **Ask the Right Questions:**
 - What is the goal of your website?
 - Do you have reference websites?
 - Do you have hosting/domain ready?
 - What features do you need?
3. **Confirm Scope:**
 - Use Fiverr's built-in "requirements" section
 - Offer a custom quote if needed

Before You Start:

- NEVER begin work before the order is accepted
 - Use a **Custom Offer** inside the chat:
 - Set price, delivery time, and description
 - Once the client **accepts the offer**, the **order officially starts**
-

4. Benefits of Registering as an Agency on Fiverr

- **Team Power:** Assign tasks internally (design/dev/QA)
 - **More Trust:** Some high-end clients prefer agency teams
 - **Bigger Projects:** Higher-value clients with ongoing work
 - **Less Competition:** Fewer verified agencies than freelancers
 - **Scalability:** Easily handle multiple projects
-

5. Pro Tips for Long-Term Success

- **Deliver early**, not just on time
 - **Always use Fiverr inbox** for communication
 - **Avoid external links** unless allowed
 - **Request feedback politely after successful delivery**
 - **Keep Fiverr TOS in mind** — breaking rules = ban risk
-
